

Istanbul UFO Museum

Istanbul UFO Museum (*Turkish: İstanbul Uluslararası UFO Müzesi*) was the fourth international UFO museum, and is located in the Beyoğlu district of Istanbul, Turkey. Founded by Haktan Akdoğan's *Sirius UFO Space Sciences Research Center* in 2001, the museum contains various photos, videos, reports, UFO-alien models, and a library about UFO's and extraterrestrial life.^{[2][3]}

In 2011 the museum reportedly had a mobile version, which travelled around Istanbul in a truck.^{[4][5]} The museum is no longer open.
